

2017 Coos Bay Summer Seminar

August 3-6, 2017

Greetings,

July is fast approaching and now is the time to begin planning to attend the 2017 Western Pacific Tang Soo Do Association Summer Seminar. 2017 marks our 32nd annual summer camp at the Coos Bay Retreat.

The theme of the 2017 Summer Camp is "Make it Work for You". Not only learn new techniques, but learn how to make them work for you.

Write down your ideas of how you can improve yourself and how the WPTSD Association can improve. Give your ideas to one of the masters to talk to and help you evaluate your ideas and we will see what we can do to help.

If you have a question, ask any of the masters, feel free to ask them at any time. If you see or are working out with someone you do not know, introduce yourself.

If you want to hear any of the "Old Training Stories" ask any of the "old timers" to tell you, if they can remember. :-)

See you in Coos Bay, Grand Master Estioko
